Gain Confidence and Overcome Exam Fear

In an IAS aspirantâ??s journey, fear is a common factor. There is no other option. You must learn to overcome it by doing the extensive practice. Definitely no! It is not a bad sign. It will positively impact your career. The fear pushes you to prepare well. So, it seems to be helpful in one way. If you take it in a negative direction, it will lead to nervousness. Consequently, you will tend to perform badly in the exam.

However, you cannot overcome the fears by any shortcut. All you need is a regular practice. In addition, you need to have a good mentor to guide in a proper direction. So, UPSC online test series can help you to experience the real exam in prior. Identify the scope for improvement and work on the weaker areas.

Most importantly, you can easily analyse your mistakes when you take up test series. As it is the mock tests, you have much time to correct them and prepare perfectly. When you start answering mock questions, it helps you to recall the studied topics. Simultaneously, the revision happens! Do you agree? Above all, you will get the knack of handling the questions during exam time. This method of learning is considered the fastest. Ultimately, it boosts your confidence and level of preparation.

Easily Understand Different Question Types

Have you practiced with UPSC test series? You must have noticed a few important words in the questions. It includes a comment, critically examine, discuss, enumerate, and much more question types. These are the qualifying questions that appear in the UPSC exam. Every type of question has a specific set of demands. So, understand the actual requirements and write accordingly. Ultimately, it helps you to score good marks.

Many students end up answering in their own way. They donâ??t even try to understand the exact requirement. So, cultivate the habit of reading and comprehending the questions in the right manner. Mainly, the examiners check your ability to comprehend well. By attending mock tests, you will learn to

understand the different perspectives of questions.

Learn How to Tackle Uncertainty

You cannot expect anything in the case of UPSC exams. In fact, it will come in a package of surprises. In the year 2016, the questions appeared exactly in the opposite manner. Such a paper was never expected by students. There was very a smaller number of questions from current affairs. Students who focused on current affairs had a bad day! Later, the question paper was again analysed. It had many questions which could be answered with prepared topics. You cannot predict the type of questions asked in the exam. In order to be safe, practice a lot from UPSC online test series. If you own good practice, the chances of getting panic are least.

Improve the ranking

Have you heard students complaining they knew the answer but couldnâ??t write in exam hall? Please do not make such mistakes. It will cost you another year of preparation and struggle. In case, you practice well before the exam, you will not miss any known questions like the above. So, practice makes a man perfect. Moreover, the knowledge stays permanently in your brain with regular practice.

SHRI RAM IAS

In fact, it is possible to recall even in a stressful situation. When perfection is in your hands, there is no need to worry about getting top rank in the civil services exam. However, UPSC online test series is not the only way to get a good rank. But it is definitely one of the best ways to seek top rank. Stop worrying guys! Get your hands dirty and start practicing.

Maintain Ideal Mind State
